NOTICE OF SETTLEMENT

Registrant CheyTac USA, LLC, hereby alerts the Board that this matter was resolved and settled on March 3, 2016 between the parties according to the following terms:

1. Proceeding will be dismissed “with prejudice” upon completion of settlement documentation;
2. Registrant shall assign the Mark to Petitioner;
3. Petitioner shall pay \$50,000 to Registrant upon assignment of the Mark from Registrant to Petitioner;
4. Petitioner shall license use of the Mark in perpetuity to Registrant once assignment has been completed.

Registrant has been diligently attempting to conclude and document the settlement of this matter since the date on which the matter was settled so that it can be dismissed as per the terms of the settlement. Petitioner’s counsel is thoroughly nonresponsive and has been so for two months. Petitioner’s counsel fails and refuses to respond to both email and voicemail. Registrant has been forced to expend funds and resources unnecessarily as a result of Petitioner’s complete lack of response. Registrant shall continue to reach Petitioner’s counsel for a reasonable time and shall then take appropriate further and additional action.
